

SPES Program Health Check

The mask policy for this program is specified in the program description and is decided at the discretion of SPES staff and program leaders.

By signing this health check, I agree that I will not participate in this program if any of the following apply to me:

1) If I have two (2) or more of the following symptoms:

- Fever
- Worsening chronic cough
- Sore throat
- Difficulty breathing or shortness of breath
- New loss or decrease in sense of taste or smell
- Loss of appetite
- Runny nose
- Sneezing (not allergy related)
- Hoarse voice
- Nasal congestion
- Chills
- Headache
- Unexplained fatigue or unwellness
- Difficulty swallowing
- Nausea or vomiting
- Diarrhea
- New onset of cough

2) If I have travelled or have had close contact with anyone who has traveled, outside of Canada in the past 14 days. If I have, then I have followed all Federal and Provincial COVID-19 & Communicable Disease protocols.

3) I understand that while Stanley Park Ecology is following all health and safety guidelines outlined by the Provincial Health Officer, WorkSafe BC and BCCDC, and that they are taking all reasonable precautions to clean and disinfect program rooms, supplies and surfaces – there are no guarantees that I may not come in contact with COVID-19, and I will not hold Stanley Park Ecology Society responsible if I contract COVID-19.

You may be reached at the phone and email provided during registration for contact tracing purposes.

Please initial or sign below if you agree to the COVID-19 screening questions above:
